Jasmine is a trained and qualified teacher and school leader and has worked in England and Scotland. She has been a coach for over 15 years, supporting school to develop coaching cultures, alongside individual, group and team coaching. Jasmine has worked globally delivering leadership coaching and is currently completing a PhD focusing on developing a more inclusive and equitable education system. Jasmine is a non-executive Director for BounceT, an innovative occupational therapy service.

## RECENT TESTIMONIALS:

*“Jasmine is a fantastic host. She creates a very safe environment for the participants to share their experiences and learn from both her techniques and also from each other. It is great to feel that you are not alone”. **Christine - Parent***

*“It was wonderful to have the opportunity to reflect and process my role and responsibilities with someone who knew and understood what I was dealing with. Jasmine allowed me to look at my role through fresh eyes. She not only listened, but prompted and supported the thought process for me”. **Gary - School Principal***

*“Jasmine has the ability to actively listen and encourage you to find your own way to a solution. Through her coaching sessions I have been able to identify my own leadership strengths as well as areas that I want to focus on more deeply. She is able to inspire and reflect with you to help you reach your goals”. **Lucy - Head Teacher***

*“It was a pleasure working with you. I do hope that many others who have a neurodiversity are able to benefit from the support you provide. I believe this makes a big difference to people and only wish I had had the opportunity to access the coaching sessions in the style you have provided at an earlier stage in my life”. **Colin - Client Advisor***
